## THE BOOK TRAIN DRIVE BY THE TEAM WORD PRO

Dwarka City Newspaper and The English Bytes in association with Aashman foundation has initiated a movement to collect Text books and story books for underprivileged children. THE BOOK TRAIN was launched on 13th July at Manish Global Mall. Dwarka City and The EnglishBytes have pledged to contribute towards 'Gift of Literacy' through collection of used text books to create free libraries for underprivileged students. These libraries are already running in Vikas Puri and Tagore Garden. In this book donation drive many children from adjoining societies and prestigious schools participated and contributed their text and story books. Over 1900 books and cartons of stationery and newspapers were collected in this drive.

The aim of this initiative is to empower the student community to be the agents of change and inculcate a sense of responsibility towards other children who are deprived of education due to the lack of resources. A core committee of students has been formed which carries out these drives on a regular basis in Dwarka to fulfil the vision of 'FREE LIBRARIES FOR THE LESS FORTUNATE OF NISHULK PATHSHALAS'

## DwarkaCity

Dwarka City, is the most popular and the first newspaper of Dwarka that has been envisaged as the mouthpiece of the citizens. Dwarka City has broken the mould when it comes to capturing the latest about what's happening in and around the city in a package and captured the essence of the sub-city – its people, culture and private and public social gatherings. Children are the most important part of the sub city and future citizens of the country. For holistic development of children Dwarka City has been organising events from time to time like Kid's Fashion Show, award ceremonies and cultural programmes. The annual painting competition for children on Republic Day, 26th January, is the most popular of them all. Dwarka City with The EnglishBytes has successfully launched WORD PRO-A Battle of Words, a unique inter-school English Quiz to test the vocabulary and spelling prowess of students.
